### *Fun & Fashionable*

Our products feature unique designs by Canadian artists. These fun and fashionable goods make attractive displays and draw in customers.

### *Ethical Sourcing*

Due to materials availability, technology, and costs, our products are manufactured overseas in ISO certified factories. We ensure that our products are responsibly made and have visited all our factories to ensure that Canadian levels of labour standards are practiced and monitored; health & safety, cleanliness and working conditions are to Canadian standards; and quality materials are used.

### *Independently Tested*

Our bottles and containers are independently tested in Canada to exceed Health Canada guidelines.

### *Canadian Owned & Operated*

Fill Your Own is 100% Canadian owned and operated.

### *Environmental Commitment*

All our products are reusable and support our philosophy 'fillyourown'. We have chosen the materials for our products based on functionality, level of CO2 in manufacturing, and impact on the environment during and after the life of the products. We offset every product with Gold Standard carbon credits to be carbon neutral. We offset the making of the materials, manufacturing of the products and end-to-end shipping.

We are also a member of 1% for the Planet.

### *Customization*

We offer custom design services for all our products. Provide us with your unique artwork/logo or work with us to come up with something suitable for your company and needs. Our talented group of artists can provide you with what you are looking for. Please email us at [info@fillyourown.ca](mailto:info@fillyourown.ca) for more information and/or quote.

### *Co-Branding*

We can put your logo on any of our products at low minimums. It's a great way to get your name out there and be noticed. Please email us at [info@fillyourown.ca](mailto:info@fillyourown.ca) for additional information and/or quote.

### *Groups, Corporates and Non-Profit Organizations*

We offer an eco-friendly, sustainable alternative for school, group or non-profit fundraisers or sales. Instead of selling candy or chocolates, choose our eco-fundraiser to lower your carbon footprint and get everyone into greener everyday living.

### *Purchase Policy*

This purchase policy covers all transactions (phone, fax, email and online) and is deemed accepted by the Buyer upon receipt of the signed order form. Shipping and applicable taxes are charged to the Buyer.

Full payment is required prior to shipping. 50% deposit is needed upon receipt of order, including custom and co-branding orders. We accept payment by credit card (VISA, MC & AMEX), cheque and money order. Please make cheques payable to Fill Your Own Inc.

### *Refund Policy*

Buyers have 7 days upon receipt of products to make returns for a full return. Damaged, marked or used products as well as custom and co-branding orders are not eligible for refund, credit or exchange. Buyer is responsible for any costs associated whilst returning products for refund, credit or exchange, including shipping and handling.

*greener every day living*

Fill Your Own offers eco-friendly products for greener every day living. Our products are made from quality materials and independently tested in Canada. We offset our products with Gold Standard carbon credit for a ZERO carbon footprint.

With fun designs, created by Canadian artists, our stainless steel water bottles, food containers, reusable lunch bags, zero-waste lunch kits and compact shopping totes are ideal for all activities of life.
